FIRST through SIXTH GRADE INFORMATION SHEET

The mission of First Lutheran School is to provide a quality early childhood program in a Christian environment. Our overall goal is to encourage the growth of the whole child through spiritual, physical, social, emotional and intellectual development in a Christian atmosphere. *A creative and loving environment will provide your child with developmentally appropriate experiences while working with others as part of a larger group.*

At First Lutheran School, we know the importance of parental involvement in a child's school life. Parents of full-day students are required to provide a minimum of 20 hours of support time to the school. As an alternative, parents may support the school with \$20 per hour of time not fulfilled in service. Service opportunities include, among other things, helping in the classroom, helping with fund raisers, and assisting with school operations.

We believe that a child's parents are their first and most important teachers. As partners in the education of your child, we work together to create a nurturing and stimulating environment. Fall Open House, Christmas celebrations, school functions, parent teacher conferences, and Lutheran Schools Week provide opportunities for children to share accomplishments with their families.
