

## Immunization Form

All children entering our school must have evidence of the necessary immunizations or legal exemptions. Medical histories and immunization records will be kept up to date in each child's permanent file. The Department of Public Health has listings of all required immunizations for entrance into school, or you can contact your health care provider about needed immunizations for entrance into school. A religious exemption is an option that is available. Please see the director to discuss religious exemption.

Please submit one of the following:

\_\_\_\_\_ Printed copy of immunization from your Dr. office or you may have it emailed to [staylor@firstlutheranhelena.org](mailto:staylor@firstlutheranhelena.org)

\_\_\_\_\_ Completed State of Montana Certification of Immunization form.
