## **Get, Set! (3-4 Year Old) & PRE-KINDERGARTEN INFORMATION SHEET**

The mission of First Lutheran School is to provide a Christian environment with a quality early childhood program. Our overall goal is to encourage the growth of the whole child through spiritual, physical, social, emotional and intellectual development in a Lutheran atmosphere. A creative and loving environment will provide your child with developmentally appropriate experiences while working with others as part of a larger group.

At First Lutheran School, we know the importance of parental involvement in a child's school life. Parents are strongly encouraged to provide a minimum of 10 hours of support time to the school. Service opportunities include, among other things, helping in the classroom, helping with fund raisers, and assisting with school operations.

We believe that a child's parents are his/her first and most important teachers. As partners in the education of your child, we work together to create a nurturing and stimulating environment. **Parents provide a simple, nutritious snack for their own child each day.**

Fall Open House, Christmas celebrations, school functions, and Lutheran Schools Week provide opportunities for children to share accomplishments with their families.
