PRE-KINDERGARTEN (4-5 yr old) INFORMATION SHEET

The mission of First Lutheran School is to provide a Christian environment with a quality early childhood program. Our overall goal is to encourage the growth of the whole child through spiritual, physical, social, emotional and intellectual development in a Lutheran atmosphere. A creative and loving environment will provide your child with developmentally appropriate experiences while working with others as part of a larger group.

At First Lutheran School, we know the importance of parental involvement in a child's school life. Parents are strongly encouraged to provide a minimum of 10 hours of support time to the school. As an alternative, parents are requested to support the school with \$20 per hour of time not fulfilled in service. Service opportunities include, among other things, helping in the classroom, helping with fund raisers, and assisting with school operations.

We believe that a child's parents are his/her first and most important teachers. As partners in the education of your child, we work together to create a nurturing and stimulating environment. **Parents provide a simple, nutritious snack for their own child each day.**

Fall Open House, Christmas celebrations, school functions, and Lutheran Schools Week provide opportunities for children to share accomplishments with their families.
